So, in short, here is the book: The Source is your brain. You should practice using it. Use it often, and as with most things you do on a habitual basis, you will get better at using it. Better use of 'The Source' will benefit you. The sickeningly charming prose used in the book and the humble braggadocio are major turn offs.

Book Description. In Pagans and Christians in Late Antiquity, A.D. Lee documents the transformation of the religious landscape of the Roman world from one of enormous diversity of religious practices and creeds in the 3 rd century to a situation where, by the 6 th century, Christianity had become the dominant religious force. Using translated extracts from contemporary sources he examines the ...

The Source is a historical novel by James A. Michener published in 1965. It is a survey of the history of the Jewish people and the land of Israel from pre-monotheistic days to the birth of the modern State of Israel. The Source uses, for its central device, a fictional tell in northern Israel called "Makor" (Hebrew: "source"). Prosaically, the name comes from a freshwater well just north of Makor, but symbolically it stands for much more, historically and spiritually.
