Brazil is the first work of fiction to depict five centuries of a great nation’s remarkable history, its evolution from colony to kingdom, from empire to modern republic. With a stunning cast of real and fictional characters, the story unfolds in South America, Africa and Europe. Two families dominate this extraordinary novel. The Cavalcantis are among the original settlers and establish the classic Brazilian plantation -- vast, powerful, built with slave labor. The da Silvas represent the second element in both contemporary and historical Brazil: pathfinders and prospectors. For generations, these adventurers have their eyes set on El Dorado, which they ultimately find -- in a coffee fazenda at Sao Paulo. Brazil is an intensely human story -- brutal and violent, tender and passionate. Perilous explorations through the Brazilian wilderness...the perpetual clash of pioneer and native, visionary and fortune hunter, master and slave, zealot and exploiter...the thunder of war on land and sea as European powers and South American nations pursue their territorial conquests...the triumphs and tragedies of a people who built a nation covering half the South American continent...all are here in one spell-binding saga.

The Condition Assessment Scheme (CAS) for oil tankers was adopted in 2001 and is applicable to all single-hull tankers of 15 years or older. Although the CAS does not specify structural standards in excess of the provisions of other IMO conventions, codes and recommendations, its requirements stipulate more stringent and transparent verification of the reported structural condition of the ship and that documentary and survey procedures have been properly carried out and completed. The Scheme requires that compliance with the CAS is assessed during the Enhanced Survey Program of Inspections concurrent with intermediate or renewal surveys currently required by resolution A.744(18), as amended.--Publisher’s description.

Naseeruddin Shah ’ s sparkling memoir of his early years, ‘ from zero to thirty-two ’, spans his extraordinary journey from a feudal hamlet near Meerut, to Catholic schools in Nainital and Ajmer, and finally to stage and film stardom in Mumbai. Along the way, he recounts his passages through Aligarh University, the National School of Drama and the Film and Television Institute of India, where his luck finally began to change. And Then One Day tells a compelling tale, written with rare honesty and consummate elegance, leavened with tongue-in-cheek humour. There are moving portraits of family members, darkly funny accounts of his schooldays, and vivid cameos of directors and actors he has worked with, among them Ebrahim Alkazi, Shyam Benegal, Girish Karnad, Om Puri and Shabana Azmi. The accounts of his struggle to earn a living through acting, his experiments with the craft, his love affairs, his early marriage, his successes and failures are narrated with remarkable frankness and objective self-assessment. Brimming with delightful anecdotes as well as poignant, often painful revelations, this book is a tour de force.

In Search of a Path is the first comprehensive analysis of Suriname ’ s foreign policy from 1975 to 1991. The book provides readers interested in Caribbean and Latin American affairs with a detailed account of Suriname ’ s external relations. Moreover, the young Republic may stand as a case study, as it confronted the difficulties and challenges that small developing states often face.

The Code of Safe Practice for Cargo Stowage and Securing (CSS Code) provides an international standard for the safe stowage and securing of cargoes to promote the safety of life both at sea, and during loading and discharge. The 2021 edition incorporates all amendments up to and including 2020. In particular, this edition includes amendments to annex 13 on Methods to assess the efficiency of securing arrangements for semi-standardized and non-standardized cargo (MSC.1/Circ.1623), appendix 2 on Revised guidelines for the preparation of the Cargo Securing Manual (MSC.1/Circ.1353/Rev.2) and appendix 4 on Revised guidelines for securing arrangements for the transport of road vehicles on ro-ro ships (MSC.479(102)), which supersedes resolution A.581(14), as amended. Also included in this 2021 edition of the Code are amendments to annex 14 on Guidance on providing safe working conditions for securing of containers on deck
