Certified Ethical Hacker (CEH) To become a Certified Ethical Hacker, you need to receive credentials from the International Council of Electronic Commerce Consultants (EC-Council). The CEH is an entry-level certification. Obtaining it proves that you understand on a theoretical level what ethical hacking is, how it is different from non-ethical hacking, what kinds of attacks exist, and how to protect

against them.

3) Certified Ethical Hacker All-In-One Guide (AIO), Fourth Edition by Matt Walker
Very solid book. I enjoyed the authors information flow and humor. It really made things easier to understand. This is really the only book you need. I would not purchase the EC-Council's material.
