The cause of Elvis's death was said to be influenced by the number of drugs that he was ingesting at the time. (According to Wikipedia (so take it for what it's worth), in regard to what role Dr. Nick had played in Elvis's drug habit, "In the first eight months of 1977 alone, he had [prescribed] more than 10,000 doses of sedatives, amphetamines and narcotics: all in Elvis's name.")

his life away? Influential people like ELVIS are not forgotten no matter what. Seven lost childhood years of ELVIS' life is related by James Samuel Denson selected by Gladys Presley to help raise him. On stage beneath those costumes was a person who had struggles, FBI involvement and is a phenomenon. What was the price...the blood talks. This work was written with Priscilla and Lisa Marie in mind. To quote Elvis, My image is one thing and the human being is another...it's hard to live up to an image...Elvis gave possibly more than he had and his spirit still connects with all who love and understand him far beyond the emotionalism. The God in Elvis connects with the God in others. Don't miss knowing him plus the blessing this book brings as, if you shut the door here, you may be walking on Elvis' soul. As some desire only the showmanship, there is no need to say 'enjoy it' - you have that but we have the man -

ELVIS. We were extremely fortunate to have had Elvis for so long. Yet today, his music is kept alive so beautifully by radio, TV, film and the gifted Tribute Artists world-wide; we are highly blessed with their artistry. Elvis was not finished by August 17, 1977

The author presents evidence to support her theory that Elvis Presley is still alive and staged his own apparent death

THE NEW YORK TIMES BESTSELLER Elvis Presley's fiancée and last love tells her story and sets the record straight in this deeply personal memoir that reveals what really happened in the final years of the King of Rock n' Roll. Elvis Presley and Graceland were fixtures in Ginger Alden's life; after all, she was born and raised in Memphis, Tennessee. But she had no idea that she would play a part

Download File PDF I Could Have Saved Elvis

in that enduring legacy. For more than three decades Ginger has held the truth of their relationship close to her heart. Now she shares her unique story... In her own words, Ginger details their whirlwind romance—from first kiss to his stunning proposal of marriage. And for the very first time, she talks about the devastating end of it all and the fifty thousand mourners and reporters who descended on Graceland in 1977, exposing Ginger to the reality of living in the spotlight of a short yet immortal life. Above it all, Ginger rescues Elvis from the hearsay, rumors, and tabloid speculations of his final year by shedding a frank yet personal light on a very public legend. From a unique and intimate perspective, she reveals the man—complicated, romantic, fallible, and human—behind the myth, a superstar worshipped by millions and loved by Ginger Alden.

One of the most admired Southern historians of our time paints an intimate portrait of Elvis Presley, set against the rich backdrop of Southern society, that illuminates the zenith of his career, showing how Elvis himself changed—and didn't—and providing a deeper understanding of the man and his times.

Looks at the barrage of rumors surrounding Elvis's death, including the speculations that he didn't die, and the influence he has on popular culture today

A “sympathetic and exceptionally well-written account” (USA Today), Ray Connolly’s biography of the King soars with “spontaneity and electricity” (Preston Lauterbach). Elvis Presley is

Download File PDF I Could Have Saved Elvis

a giant figure in American popular culture, a man whose talent and fame were matched only by his later excesses and tragic end. A godlike entity in the history of rock and roll, this twentieth-century icon with a dazzling voice blended gospel and traditionally black rhythm and blues with country to create a completely new kind of music and new way of expressing male sexuality, which simply blew the doors off a staid and repressed 1950s America. In *Being Elvis* veteran rock journalist Ray Connolly takes a fresh look at the career of the world's most loved singer, placing him, forty years after his death, not exhaustively in the garish neon lights of Las Vegas but back in his mid-twentieth-century, distinctly southern world. For new and seasoned fans alike, Connolly, who interviewed Elvis in 1969, re-creates a man who sprang from poverty in Tupelo, Mississippi, to unprecedented overnight fame, eclipsing Frank

Download File PDF I Could Have Saved Elvis

Sinatra and then inspiring the Beatles along the way. Juxtaposing the music, the songs, and the incendiary live concerts with a personal life that would later careen wildly out of control, Connolly demonstrates that Elvis's amphetamine use began as early as his touring days of hysteria in the late 1950s, and that the financial needs that drove him in the beginning would return to plague him at the very end. With a narrative informed by interviews over many years with John Lennon, Bob Dylan, B. B. King, Sam Phillips, and Roy Orbison, among many others, Connolly creates one of the most nuanced and mature portraits of this cultural phenomenon to date. What distinguishes *Being Elvis* beyond the narrative itself is Connolly's more subtle examinations of white poverty, class aspirations, and the prison that is extreme fame. As we reach the end of this poignant account, Elvis's death at forty-two takes on the

hue of a profoundly American tragedy. The creator of an American sound that resonates today, Elvis remains frozen in time, an enduring American icon who could “seamlessly soar into a falsetto of pleading and yearning” and capture an inner emotion, perhaps of eternal yearning, to which all of us can still relate. Intimate and unsparing, *Being Elvis* explores the extravagance and irrationality inherent in the Elvis mythology, ultimately offering a thoughtful celebration of an immortal life.

Beginning in 1949, while Elvis Presley and Sun Records were still virtually unknown--and two full years before Alan Freed famously "discovered" rock 'n' roll--Dewey Phillips brought rock 'n' roll to the Memphis airwaves by playing Howlin' Wolf, B. B. King, and Muddy Waters on his nightly radio show *Red, Hot and Blue*. The

Download File PDF I Could Have Saved Elvis

mid-South's most popular white deejay, "Daddy-O-Dewey" is part of rock 'n' roll history for being the first major disc jockey to play Elvis Presley (and subsequently to conduct the first live, on-air interview with Elvis). This book illustrates Phillips's role in turning a huge white audience on to previously forbidden race music. His zeal for rhythm and blues legitimized the sound and set the stage for both Elvis's subsequent success and the rock 'n' roll revolution of the 1950s. Using personal interviews, documentary sources, and the oral history collections at the Center for Southern Folklore and the University of Memphis, Louis Cantor presents a very personal view of the disc jockey while arguing for his place as an essential part of rock 'n' roll history.

Elvis Presley was unique. "I don't sound like nobody," he said

Download File PDF I Could Have Saved Elvis

before he was anybody, and John Lennon, whose Beatles would later create their own mania in the world, would offer the tribute: "Before Elvis, there was nothing." Elvis, writes New York Times bestselling author Rees Quinn, was the world's first superstar, but that couldn't erase the scars of a childhood filled with poverty, humiliation, loneliness, and shame. He tried to buy happiness but failed. With his leather, gold, and ivory jumpsuits, Cadillacs, private planes, and Memphis mansion, Graceland, Elvis came to epitomize rock-star excess. This book goes beyond the music to explore Elvis's background, family, ambition, and the relationships that made him an icon. It is not just for Elvis fans - it's a fascinating story of a talented man who has touched all of our lives.

"The essays collected here ... are centrally concerned with conflicts

Download File PDF I Could Have Saved Elvis

of value: the aesthetic value that is ascribed to texts; the economic value that accrues to intellectual property; the processes of social valuation that turn waste into worth and back again; the structures of valued knowledge that shape both the disciplines of knowledge and everyday life; and the political struggles over social and cultural difference that give rise, at their most intense, to the desolation of communities and the destruction of cultures."--Publishers website
