3-This book has almost nothing about eugenics, in former Soviet Union. On page 191, there's just a few swntences about this. Even so, former USSR, not Nazi Germany was the first country to put eugenics at the center of its politics. The first national eugenics association, supported by one state was created by Lenin himself, in january, 1918. Its ...

or encouraging reproduction by persons presumed to have inheritable desirable traits (positive eugenics).

Eugenics | Definition of Eugenics at Dictionary.com

LONDON (AP) — One of Britain's leading family planning organizations is changing its name to distance itself from the troubling views on eugenics and race of birth control pioneer Marie Stopes. Marie Stopes International, which provides abortion and contraception services, said that starting Tuesday it will be known as MSI Reproductive Choices.

Clinics drop Marie Stopes name over eugenics support
