The design of the Insignia Kix hearkens back to the early days of flash MP3 players, right down to the built-in USB plug. The player looks like a thumb drive with a (small) screen, though at 3.2 inches by 1.4 inches by 0.6 inch, the Kix is a bit larger than most thumb drives. The USB interface is concealed by a.

From the 1920s to the 1950s, radio was the entertainment source for millions. Two of the primary themes of radio serials were mysteries and adventure. This is a detailed analysis of the important programs in these genres--Jack Armstrong, The Green Hornet, Sergeant Preston, Tom Mix, and more. Each entry includes type of series, broadcast days, air dates, sponsors, network, cast and production credits, and a comprehensive essay. When, as often happened, the series landed in other media, that is examined as well.

The Rock History Reader is an eclectic compilation of readings that tells the history of rock as it has been received and explained as a social and musical practice throughout its six decade history. The readings range from the vivid autobiographical accounts of such rock icons as Ronnie Spector and David Lee Roth to the writings of noted rock critics like Lester Bangs and Chuck Klosterman. It also includes a variety of selections from media critics, musicologists, fanzine writers, legal experts, sociologists and prominent political figures. Many entries also deal specifically with distinctive styles such as Motown, punk, disco, grunge, rap and indie rock. Each entry includes headnotes, which place it in its historical context. This second edition includes new readings on the early years of rhythm & blues and rock 'n' roll, as well as entries on payola, mods, the rise of FM rock, progressive rock and the PMRC congressional hearings. In addition, there is a wealth of new material on the 2000s that explores such relatively recent developments as emo, mash ups, the explosion of internet culture and new media, and iconic figures like Radiohead and Lady Gaga. With numerous readings that delve into the often explosive issues surrounding censorship, copyright, race relations, feminism, youth subcultures, and the meaning of musical value, The Rock History Reader continues to appeal to scholars and students from a variety of disciplines.

The magic and mysteries of Mexico or, The Arcane secrets and occult lore of the ancient Mexicans and Maya

'A PINCH OF STARS' is a collection of bilingual poems, quotes, short stories and open letter by a team of some very talented and budding writers from all over the country. This book is unique with its content as it consists of some best write-ups covering nearly all the genres in a narrative form on the theme stars, love, friendship and wisdom.. We are sure that you'll get tears, smiles, goose bumps and all sought of emotions while reading. The main reason behind the publication of this book is to create love and awareness towards literature in our new generation and to provide a platform for young and emerging writers to showcase their talent.
