Why this should be so is the subject of Jewish Humor, an erudite, opinionated, and hilarious examination of comedy as the mirror of culture, woven around more than a hundred of the best Jewish jokes – some classic, some newly minted – ever compiled.\ " \The jokes are analyzed by Rabbi Joseph Telushkin, a well-known authority on Jewish life who is as celebrated for his wit as for his scholarship.

*Jewish humor : what the best Jewish jokes say about the ...*

From Groucho Marx to the Borscht Belt to Sarah Silverman, many of America's best-known comedians have been Jewish. And so important is humor to Jewish culture that a landmark study on American Jewish identity in 2013 found that 42 percent of American Jews consider "having a good sense of humor" to be "an essential part of what being Jewish means." (In contrast, only 19 percent said observing Jewish law was essential.)

First and foremost, Jewish humor snickers in the face of authority. This tendency dates back to the first recorded laughter in the scriptural tradition, in Genesis 18:12, when the mother of the Jewish people, Sarah, laughs at the notion, delivered by divine messenger, that she will conceive a child in her dotage. Sarah's laughter is, in effect, a minor rebellion against God, who proceeds to chew her out: "Is anything too hard for the Lord?" And so, the subversive tradition of Jewish ...

Telushkin has masterfully grouped the best Jewish jokes into categories. His illuminations are helpful but never intrusive -- this is above all else a FUNNY book. If you're wondering what makes us tick and why the funny bone is so often the way to a Jewish heart, check out Telushkin's book and be prepared to squirm a little -- and learn a lot.

Here are more than 100 of the best Jewish jokes you'll ever hear, interspersed with perceptive and persuasive insight into what they can tell us about how Jews see themselves, their families, and their friends, and what they think about money, sex, and success. Rabbi Joseph Telushkin is as celebrated for his wit as for his scholarship, and in this immensely entertaining book, he displays both in equal measure. Stimulating, something stinging, and always very, very funny, Jewish Humor offers a classic portrait of the Jewish collective unconscious.

From the host of NPR affiliate's Forum with Michael Krasny, a compendium of Jewish jokes that packs the punches with hilarious riff after riff and also offers a window into Jewish culture. Michael Krasny has been telling Jewish jokes since his bar mitzvah, and it's been said that he knows more of them than anyone on the planet. He certainly states his case in this wise, enlightening, and hilarious book that not only collects the best of Jewish humor passed down from generation to generation, but explains the cultural expressions and anxieties behind the laughs. "What's Jewish Alzheimer's?" "You forget everything but the grudges." "You must be so proud. Your daughter is the President of the United States!" "Yes. But her brother is a doctor!" "Isn't Jewish humor masochistic?" "No. And if I hear that one more time I am going to kill myself." With his background as a scholar and public-radio host, Krasny delves deeply into the themes, topics, and form of Jewish humor: chauvinism undercut by irony and self-mockery, the fear of losing cultural identity through assimilation, the importance of vocal inflection in joke-telling, and calls to communal memory, including the use of Yiddish. Borrowing from traditional humor and such Jewish comedy legends as Jackie Mason, Mel Brooks, and Joan Rivers, Larry David, Sarah Silverman, Jerry Seinfeld and Amy Schumer, Let There Be Laughter is an absolute pleasure for the chosen and goyim alike.

Finalist for the National Jewish Book Award "Dauber deftly surveys the whole recorded history of Jewish humour." –Economist In a major work of scholarship that explores the funny side of some very serious business (and vice versa), Jeremy Dauber examines the origins of Jewish comedy and its development from biblical times to the age of Twitter. Organizing Jewish comedy into "seven strands"—including the satirical, the witty, and the vulgar—he traces the ways Jewish comedy has mirrored, and sometimes even shaped, the course of Jewish history. Dauber also explores the classic works of such masters of Jewish comedy as Sholem Aleichem, Isaac Babel, Franz Kafka, the Marx Brothers, Woody Allen, Joan Rivers, Philip Roth, Mel Brooks, Sarah Silverman, Jon Stewart, and Larry David, among many others.

In this book, Ruth Wisse evokes and applauds the genius of spontaneous Jewish joking—as well as the brilliance of comic masterworks by writers like Heinrich Heine, Sholem Aleichem, Isaac Babel, S. Y. Agnon, Isaac Bashevis Singer, and Philip Roth. A.

Presents an amusing accumulation of Jewish jokes, wit, anecdotes, sight gags, satire, and cartoons, as well as selections from the works of leading Jewish writers and comedians.

This is, quite simply, the most comprehensive collection of Jewish jokes, ever! The author has sourced over 1000 jokes and witty anecdotes that will have your sides splitting. With topics ranging from Rabbis to relationships; hairdressers to honeymoons; Bar Mitzvahs to bodybuilders; and from shopping, dating and in-laws to miracles, Viagra and chutzpah – and you don't have to be Jewish to enjoy them. This unique book also contains jokes for children, a compatability test for dating couples, humourous quips that can be used in speeches for special occasions, and a generous sprinkling of naughtier jokes.

What began as a casual collection of Jewish jokes for Jeffrey V. Mallow's personal amusement soon became a napkin-scribbling compulsion to document the very best in Jewish humor, whenever and wherever he came across it. The bigger his trope, the clearer it became to Mallow that the jokes were more than just funny—they were authentic in their depictions of Jews and their interactions with each other and with non-Jews; they represented the breadth of Jewish life. Field-tested by Mallow's stand-up comedy audiences for decades, here are guaranteed rib-ticklers about matchmakers, cantors, and circumcisers; the overly pious, freethinkers, and heretics; the illogic of Jewish logic; and even Jewish encounters with alien societies! In these pages, Jews poke fun at their own foibles and at the Gentiles who befuddle them, and Mallow offers witty and informative introductions, explanations, background, and cultural context. There's also a handy glossary at the end. Not only is this a laugh-out-loud compilation of the best Jewish jokes that date back to the Talmud and up to today, but it's also a fascinating and entertaining look at Jewish life around the world and through the centuries.

Jewish humor has defined comedy in 20th-century America.

Humor has had a profound effect on the way the Jewish people see the world, and has sustained them through millennia of hardships and suffering. God Laughed reviews, organizes, and categorizes the humor of the ancient Jewish texts—the Hebrew Bible, the Talmud, and Midrash—in a clear, readable, and accessible manner. These works have influenced the Jewish people in many ways, and all are replete with humor and wit. Inevitably, this oeuvre of Jewish humor has itself influenced generations of comics, as well as genres of humor. The authors use examples of Biblical humor from several broad categories, including irony, sarcasm, wordplay, humorous names, humorous imagery, and humorous situations. Because their primary purpose is not to entertain, but to teach humanity how to live the ideal life, much of the humor in the Talmud and the Midrash has a single purpose: to demonstrate that evil is wrong and even, at times, ludicrous. This may help explain why approximately 1,500 years after its closing, the Talmud is still such a fascinating work.

Trying to give definition to humor of any kind is already bad business in itself. Just when you thought you have laid down the rules, someone will definitely give you a tap on the shoulder and remind you of other forms of humor. And worse, you might even get to raise some eyebrows in your mere attempt to define it.As

far as Jewish humor is concerned, it is basically a kind of humor that is blatantly Jewish in all its characters, concerns, language, definitions, symbols or values. Based on one definition, a Jewish joke is something that a non-Jewish person will be able to understand and all Jews say that they already heard. However, not all the Jewish humor has been derived from Jewish sources. And in the same way, not all the humor that the Jews created are necessarily Jewish. For this reason, it would be best that you examine not the song but the singer. Jewish humor is very diverse and rich and can be difficult to adequately describe it with a single generalization. The Jewish theologians said that it is much easier to describe God in things that He is not and the same thing can be of use when trying to understand Jewish humor. Jewish humor is not escapist and not a slapstick. This is not physical and in general, it is not cruel and this doesn't relate to the infirm or the weak. Similarly, this is also not gentle and polite. What Jewish humor truly is might be even harder to determine and here are several broad statements in a complete awareness of all the possible futility of this exercise. Usually, Jewish humor is substantive and is about something. This is specifically fond of some particular topics like food, business, family, wealth and its absence, anti-Semitism, survival and health. Jewish humor is fascinated by logic and intricacies of the mind as well as the short elliptical path that separates the absurd from the rational. As a religious or social commentary, Jewish humor tends to be resigned, complaining, descriptive or sarcastic. At times, the humor's point is actually more powerful than the laugh that it delivers and for several of these jokes, the right response is not really laughter but instead, a consoling sigh of recognition or a bitter nod. The didactic can preclude laughing for free similar with slapstick humor that derives the laughter from the misfortune of other people. There is no doubt that Jewish humor is an interesting thing that continues to fascinate people from all parts of the world, whether they are Jewish or not. To give you a dose of Jewish fun, here are some of the best Jewish jokes that can either make you double up in laughter or stop, think and contemplate on the real meaning that lies within.
