This beautiful book is an encyclopedic, behind-the-scenes look at how the machines were designed and built containing examples of every model line built by John Deere since 1919. Matching the strong visuals is an in-depth history that includes interviews with the engineers, industrial designers, and other Deere & Co. people who designed, built, and sold the machines.

Geralt the Witcher -- revered and hated -- holds the line against the monsters plaguing humanity in this collection of adventures in the NYT bestselling series that inspired the blockbuster video games. Geralt is a Witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. But not everything monstrous-looking is evil and not everything fair is good...and in every fairy tale there is a grain of truth. Andrzej Sapkowski, winner of the World Fantasy Lifetime Achievement award, started an international phenomenon with his Witcher series. The Last Wish short story collection is the perfect introduction to this one of a kind fantasy world. Witcher collections The Last Wish Sword of Destiny Witcher novels Blood of Elves The Time of Contempt Baptism of Fire The Tower of Swallows Lady of the Lake Season of Storms

Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s.
