leaders. Incorporating material from the Financial Times(c), it bring business right into the classroom.

Passages, Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. Student's Book B comprises the second half (Units 7-12) of the complete Level 2 Student's Book. Each of the Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support.

This new component offers a business related alternative to the existing eWorkbook to the award-winning adult course Global. This takes the innovative eWorkbook and provides business-related content to either act as a supplement to the Global Coursebook or as a stand-alone self-study business English course.
