Promote Active Transportation. Active transportation systems should connect the places where people live, learn, work, shop, and play by providing safe and convenient walking and bicycling facilities. The safety of all road users can increase as more people choose active transportation. Recommendations:

We plan and invest in transport infrastructure to keep the UK on the move. DfT is a ministerial department, supported by 24 agencies and public bodies . Department for Transport - GOV.UK

~~Department for Transport - GOV.UK~~

Follow social distancing guidelines by staying at least 6 feet (2 meters) from people who are not from your household. For example: Avoid gathering in groups, and stay out of crowded spaces when possible, especially at transit stations and stops. Consider skipping a row of seats between yourself and other riders if possible.

~~Protect Yourself When Using Transportation | CDC~~

Safe Transportation of Children in Ground Ambulances. In March 2017, the National Association of State EMS Officials (NASEMSO) announced the release of Safe Transport of Children by EMS: Interim Guidance. The guidance is a result of the work of NASEMSO's Safe Transport of Children Committee, which is focused on examining current resources and pursuing research to develop specific and practical recommendations and promising practices for safely transporting children in ground ambulances.
