Slotboom draws together a number of innovative and revolutionary ideas including winning strategies for cash games, tournaments, and adjustments for on-line play; a successful "kamikaze" style for tournament play; and more.

While most poker players dream of winning \$10,000,000 on poker's biggest stage, most find it impossible to win at even the smallest stakes. They usually blame bad luck for their failures whereas in reality, they are simply not skilled enough at poker. The secret to mastering poker is not in memorizing hand ranking charts or following a predetermined system. You must learn to think for yourself while at the table in order to adjust your strategy based on your specific opponents. Strategies for Beating Small Stakes Poker Tournaments will explain how. In this guide, two-time World Poker Tour champion Jonathan Little explains numerous strategies he uses that will allow you to crush your opponents, giving you the opportunity to progress to the middle and high stakes.

Excelling at No-Limit Hold'em is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris Moneymaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events, analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the

technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold'em provides all the tools that an aspiring player needs to understand no-limit hold'em. It is a must buy for anyone who is serious about wanting to improve their poker.

Why are the best poker players actually the best? Every serious poker player wants to be successful and many of them have the right technical skills. However, the truth is that there are key mental factors that separate the big winners from everyone else. Patricia Cardner is a psychology professor, licensed professional counselor and dedicated poker player. She interviewed a select group of professional poker players who share two key characteristics: ALL of them have been successful over many years and ALL of them have lifetime winnings of more than \$1,000,000. Patricia analyzed the results to determine exactly what psychological skills, techniques, and strategies they use. This book is the result of her studies. Positive Poker outlines the mental skills that you need to develop if you want raise your game. Positive Poker will help you to: Optimize your brain for efficient learning Increase motivation and stay positive Use psychological skills to increase your win rate Increase self-control and reduce tilt Patricia is aided in her investigations by the highly successful poker pro Jonathan Little, author of the critically acclaimed series, Secrets of Professional Tournament Poker.
