This companion Workbook, also edited by experts from the CFA Institute, allows busy professionals to gain a stronger understanding of core investment topics. The Workbook Includes learning outcomes, summaries, and problems and solutions sections for each chapter in the main book Blends theory and practice Provides access to the highest quality information on investment analysis and portfolio management With Investments: Analysis and Portfolio Management Workbook, busy professionals can reinforce what they've learned in reading Investments, while doing so at their own pace.

This is an applications-oriented text that demystifies the linkages between monetary and fiscal policies and key macroeconomic variables such as income, unemployment, inflation and interest rates. Specially written "newspaper" articles simulate current macroeconomic news on asset-price bubbles, exchange rates, hyperinflation and more. Exercises and diagrams, and a global perspective – incorporating both developed and emerging economies - make this a broadly useful, real-world oriented text on a complex and shifting subject.

Everything you need to know about key aspects in corporate finance.

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features 'Finding the Leader in You" and "Taking it Online". "Finding the Leader in You", discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The "Taking it Online" feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.
