The coming together of the nations of Europe requires the elimination of the age-old opposition of France and Germany. Any action taken must in the first place concern these two countries. With this aim in view, the French Government proposes that action be taken immediately on one limited but decisive point.

The Age of the Unthinkable By Joshua Cooper Ramo | Used ...

Ultimately, *The Impossible* is a story of a mother and son's devotion to each other after the unthinkable has happened. The movie reinforces the random way that natural disasters cause destruction. There's no reason some people survive and others perish; it's a terrible tragedy with unthinkable consequences.

The Impossible Movie Review - Common Sense Media: Age ...

A Revolutionary Age is an age of action; the present age is an age of advertisement, or an age of publicity; nothing happens, but there is instant publicity about it. A revolt in the present age is the most unthinkable act of all; such a display of strength would confuse the calculating cleverness of the times.

S ren Kierkegaard, "The Present Age" (1846)

Unthinkable is a 2010 American thriller film directed by Gregor Jordan and starring Samuel L. Jackson, Michael Sheen and Carrie-Anne Moss. It was released direct-to-video on June 14, 2010. [2] The film is noteworthy for the controversy it generated around its subject matter, the torture of a man who threatens to detonate three nuclear bombs in separate U.S. cities. [3]
