At a Christmas store, NYC gets in the holiday spirit. Here are the best ones for tree trimming, buying ornaments or just feeling that warm fuzzy yuletide glow.

With Christmas only three days away, Carol Claus agrees to her father ' s request that she leave the North Pole on a mission to help save Christmas. Joining single father Ben Hanson and his children for the holidays seems an easy enough task until Santa informs her that Ben is the man behind the disturbing new book ' Beyond Bah Humbug: Why Lying to Your Children about Santa Claus is a Bad Idea ' . Posing as Miss Kane, the children ' s new nanny, Carol pulls out all the stops to show Ben how fun Christmas can be, all the while struggling to understand how one man could hate the holidays so much. How could she, Santa ' s only daughter, be so attracted to a man who refuses to believe her father exists?

This beautiful retelling of the Nativity story that celebrates the timeless joy of Christmas and of welcoming a new baby into the world is now available as a Classic Board Book! Have you heard? A baby is coming! Our baby is here? When Mary and Joseph ' s child was born, the good tidings spread from the animals in the manger, to the shepherds in the fields, to the kings in distant lands, and even to the angels in the heavens! Now every time a baby is born, we celebrate and people travel from far and wide to greet the new baby—because every new baby is a small miracle. Filled with lyrical text and lush illustrations, this Classic Board Book is the perfect gift for baby ' s first Christmas!

The modern Christmas was made by the Victorians and rooted in their belief in commerce, family and religion. Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence, shifting family structures, greater expectations of happiness and material comfort, technological developments and falling religious belief. Christmas became a battleground for arguments over consumerism, holiday entitlements, social obligations, communal behaviour and the influence of church, state and media. Even in private, it encouraged reflection on social change and the march of time. Amongst those unhappy at the state of the world or their own lives, Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time, a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar: Christmas was one of British culture's emotional high points. Moreover, it was also a testimony to the enduring importance of family, shared values and a common culture in the UK. Martin Johnes shows how Christmas and its traditions have been lived, adapted and thought about in Britain since 1914. Christmas and the British is about the festival's social, cultural and economic functions, and its often forgotten status as both the most unusual and important day of the year

It's beginning to look a lot like Christmas in this Sunshine Valley novella from USA Today bestselling author Melinda Curtis that will appeal to fans of RaeAnne Thayne and Sheila Roberts. Everyone in Sunshine Valley, Colorado, is in the Christmas spirit except for Everett Bollinger, the new town manager. With money tighter than ever, Everett has had to make some tough decisions about the local holiday celebration. And taking the blame has put him in a very unfestive mood. Rosalie Reyes has big plans to open her new pet shop during the Christmas parade. But it seems like Everett is determined to sabotage the parade and her business too. With the help of the local matchmakers and a rambunctious Saint Bernard named Remy, Rosalie is about to unleash the town's holiday cheer and make it a paws-itively amazing Christmas for all. Including a certain town manager who's about to discover the reason for the season...is love 25,000 words

Engaging version of the popular holiday tale invites colorists of all ages to bring to life the story of Ebenezer Scrooge, the grasping old miser whose life is forever changed by three ghostly visitors on Christmas Eve. Dickens' own specially abridged reading text accompanies 21 captivating, ready-to-color scenes.

The mistletoe is out, and the gloves are off . . . 'Tis the worst season to be single, but Kara Hastings won't let a little Christmas funk spoil the festive season. Sure, running her own bakery is a little harder than she expected, but she can handle it. And she'll prove it to a certain infuriatingly handsome, bossy Big City guy. She may be sugar and spice, but she can kick his butt twice. Nate Griffin is in Briar Creek only for the holidays, and he refuses to fall for the whole "small town, candy cane-scented Christmas Wonderland" thing. He's more interested in the fresh-faced cookie chef who always

Read Online The Christmas Shop At Central Park

knows exactly how to get under his skin. So when Nate challenges Kara in the town's big holiday contest, it's not just the competition that starts to heat up. If he's not careful, Kara won't just melt his icy resolve against a small-town Christmas . . . she'll melt his heart too.

18 days. That's all we had from that first night when we heard the prognosis of the surgeon: "It's cancer. All throughout her abdomen." After more tests, we were told "3 to 6 months, if we're lucky." But Judy Gossett was not "lucky" this time - and we had 18 days with her before she breathed her last on December 11, 2003. While the shock and heavy sorrow have faded somewhat in these past 10 years, there still remains a surreal nature to life because Judy - she of the huge personality, the enormous heart, the generous spirit, the wonderful sister who was only one year my senior - is gone from this life forever. In addition to serving as a tribute to Judy, I pray this book will help people who deal with the grief of losing a beloved person - a sister, a brother, a father, a mother, a wife, a husband, a child, a friend - and understand that the Body of Jesus Christ is often "the fellowship of suffering" and is a safe place to find comfort and understanding, to find purpose and meaning.

Christmas is a magical time for Baby! From a soft wooly hat to glittery ornaments to velvety stockings, this interactive board book featuring bright illustrations, colorful photos, plus a variety of tactile elements allows Baby to experience the wonders of Christmas through the sense of touch.
