About EU External Relations Law. The first edition of this seminal textbook made a significant impact on the teaching of EU external relations law. This new edition retains the hallmarks of that success, while providing a fully revised and updated account of this burgeoning field. It offers a dual perspective, looking at questions from both the EU constitutional law perspective (the principles underpinning EU external action, the EU's powers, and the role of the Court of Justice of the EU ...

EU External Relations Law: Text, Cases and Materials ...

The law of the external relations of the European Union is a subject of great importance. The EU institutions have developed an extensive practice in this area, by concluding many international agreements, by participating in the work of international organizations, and by legislating and regulating on matters of external relations.

EU External Relations Law - Hardcover - Piet Eeckhout ...

About Structural Principles in EU External Relations Law. The law and practice of EU external relations is governed not only by general objectives (Articles 3(5) and 21 TEU and Article 205 TFEU) and values (Article 2 TEU) but also by a set of principles found in the Treaties and developed by the Court of Justice, which structure the system, functioning and exercise of EU external competences.

Structural Principles in EU External Relations Law: Marise ...

Series: Studies in EU External Relations, Volume: 16. Editors: Merijn Chamon and Inge Govaere. Despite the Lisbon Treaty reforming the EU Treaty provisions on external relations, it was argued at the time of the Treaty's entry into force that 'mixity was here to stay'. While this has indeed proven to be the case, the Court of Justice's jurisprudence has nonetheless redrawn the contours within which mixity can thrive and for the first time has confirmed the existence of 'facultative ...

'This latest textbook contributing to the field of EU external relations law is unique in that it is the first such book in the post-Treaty of Lisbon environment to take a wide-angled look on as many aspects of the growing area as it continues to develop within the legal parameters as set by the Treaties, and it is suitably placed to become the core text for teaching this expanding EU policy field ...

Eu External Relations Law: Text, Cases And Materials ...

As the European Union's external action continues to expand and evolve, this raises ever more questions about how such practice fits within the state-centric system of international law. Some practices in the EU's external action have been criticised as examples of 'European exceptionalism', in which the EU receives exceptions from its international partners.

The External Dimension of EU Private International Law after Opinion 1/13 The essays collected in this volume critically address some of the main issues concerning the relations of the EU with non-EU countries and international organisations in the area of private international law, as well as the impact of these relations on EU legislation dealing with matters featuring cross-border implications.

The External Dimension of EU Private International Law ...

Abstract. The European Union (EU) has made the upholding of human rights an integral part of its external trade relations and requires that all trade, cooperation, partnership and association agreements with third countries, including unilateral trade instruments, contain with varying modalities and intensity a commitment to the respect for human rights.

Utrecht Journal of International and European Law

Overview. Professor Panos Koutrakos joined City University London in January 2013 as Professor of European Union Law. He is a graduate of the Universities of Athens and London, completed a stage at the European Commission in Brussels and holds a PhD from the University of Birmingham.

Professor Panos Koutrakos | City, University of London

Since the last time we discussed Nicaragua in this Parliament last December the situation in the country has not improved. Against a renewed pattern of persecution, harassment and intimidation, the European Union is following the possible adoption of the "Law of Regulation of Foreign Agents" and the Special Law on Cybercrimes which could be used to further tighten further the grip over civil society in Nicaragua.
