The true story of a 100% mechanical Forex* trading system that returned over 1000% inside 13 months taking a starting bank of 10,000 GBP to over 100,000 GBP The title of the book is a bold one. To be the ultimate 'Holy Grail' trading system it would have the ability to automatically trade and have zero discretion. In short, a 100% mechanical system in which the person trading with it does not matter, the result will be the same. It would be a currency trading system that does not care if you are having a bad day, are on holiday or if you have had an argument with your partner in the last hour. The entries, exits, trailing stops and money management must have no user input
