Oxford's Handbook of HR Management is a large textbook pertaining to Human Resource Management. Although it covers many topics and goes into great detail with examples from US and UK work environments, it has several weaknesses. PROS - Thorough, Multitude of References and Sources : unbiased, applicable to different HR markets

The Oxford Handbook of Human
Resource Management (Oxford ...

The Oxford Handbook of Human
Resource Management aims to provide an
authoritative account of current trends and
developments in Human Resource
Management (HRM). HRM is central to
management teaching and research, and
has emerged in the last decade as a
significant field from its earlier roots in
personnel management, industrial
relations, and industrial psychology.

The Oxford Handbook of Human Capital (Oxford Handbooks ...

The Oxford Handbook of Human Capital provides an authoritative, interdisciplinary, and up-to-date survey of relevant concepts, research areas, and applications of human capital.

Macroeconomic research on human capital — the stock of human capabilities and knowledge — has been extensively published but, until now, the literature had lacked a comprehensive analysis of human capital within the organization.

Oxford Handbook of Human Motivation - Oxford Handbooks

Abstract This volume explores the principle and history of international human rights law. It addresses questions regarding the sources of human rights, its historical and cultural origins and its universality. It evaluates the effectiveness of procedures and international institutions in enforcing and ensuring compliance with human rights.
