The essays in this volume investigate the impact of all media, including the emerging technologies, on the social, cultural, economic and political climate in the context of aesthetic values, and issues of gender, race and class. Transmission examines the array of forces moving the contemporary video landscape forward, comparing the past with the present as well as the future as it looks at the impact of video on commercial television, the relationship of media to the social causes it (mis)represents and the effects of new communication tools on participating constituents.

What do Henry Ford, Thomas Edison, Mae West, Howard Hughes, John Madden, the Partridge Family, Ken Kesey, The Who, and Barbie have in common? Each had a home on wheels-be it an old converted school bus, a massive RV cruiser, or elegant house car. These celebrity motorhomes are only the frosting on the cake in Douglas Keister's entertaining and informative new book Mobile Mansions.

Covers all aspects of RV living from selecting the right RV and towing vehicles, to basic maintenance, driving tips, and cooking on the road and includes helpful information on the different types of RVs, new products, and technology, as well as travel tips. Original. 15,000 first printing.
